

**APPLICATION TO CONNECT *microFIT* PROJECT TO  
Wasaga Distribution Inc.'s  
DISTRIBUTION SYSTEM**

<b><i>microFIT</i> Information</b>	
Project Reference Number	
Applicant Legal Name	
Incremental Project	<input type="checkbox"/> Yes <input type="checkbox"/> No

<b>Primary Contact Information</b>	
Name	
Billing Address	
Account Number (for existing customer account, if applicable)	
Phone Number	
Email Address	
Fax Number	

<b>Secondary Contact Information</b>	
Name	
Address	
Phone Number	
Email Address	
Fax Number	

<b><i>microFIT</i> Project Description</b>
--

Site Address	
Fuel Type	<input type="checkbox"/> Bio-gas <input type="checkbox"/> Solar photovoltaic (Solar PV) <input type="checkbox"/> Landfill gas <input type="checkbox"/> Wind <input type="checkbox"/> Renewable biomass <input type="checkbox"/> Other Specify: _____

Nameplate Capacity	kW
--------------------	----

Expected In Service Date	
--------------------------	--

<b><i>If the microFIT project is a Solar PV project:</i></b>	
Nameplate capacity of the Solar PV panels	kW
Nameplate capacity of the inverter	kW

Proposed Connection Method	<input type="checkbox"/> Directly Connected <input type="checkbox"/> Indirectly Connected <input type="checkbox"/> In-parallel
----------------------------	---

<b><i>If Incremental Project – Existing Generating Facility Description</i></b>				
Fuel Type	<input type="checkbox"/>	Bio-gas	<input type="checkbox"/>	Solar photovoltaic
	<input type="checkbox"/>	Landfill gas	<input type="checkbox"/>	Wind
	<input type="checkbox"/>	Renewable biomass	<input type="checkbox"/>	Other
				Specify:
Nameplate Capacity of Existing Generating Facility			kW	
Combined Nameplate Capacity			kW	
<b>NOTE: Combined Nameplate Capacity (microFIT Project plus Existing Generating Facility) cannot exceed 10kW.</b>				

GST/HST # if applicable	
-------------------------	--
