Under Ontario regulations, an account which falls into one of a prescribed set of categories is to be billed under the **Regulated Price Plan (RPP)**. While certain accounts are automatically enrolled by Wasaga Distribution through their consumption or demand profiles, certain classes of customers are required to declare their status with Wasaga Distribution in order to be enrolled in the RPP. Additionally, owners of Bulk Metered Multi-Unit Premises are advised to provide the correct number of individual units within their premises in order to fully benefit from the applicable RPP rates. If you are interested in having your account enrolled under the RPP, please complete the Steps below.

For more information on the RPP, please visit the Ontario Energy Board's website [ontarioenergyboard.ca](http://ontarioenergyboard.ca)

### STEP ONE – Do you qualify for the RPP?

According to Ontario Regulation 95/05 under the *Ontario Energy Board Act, 1998*, the following are prescribed as the class of consumers for the purposes of being billed under the RPP:

1. Low-volume consumers.
2. A consumer has a demand of 50 kilowatts or less.
3. A consumer who has an account with a distributor, if the account relates to,
  - I. a dwelling,
  - II. a property as defined in the *Condominium Act, 1998*,
  - III. a residential complex as defined in the *Residential Tenancies Act, 2006*, or
  - IV. a property that includes one or more dwellings and that is owned or leased by a co-operative as defined in the *Co-operative Corporations Act*.
4. A consumer who annually uses at least 150,000 but not more than 250,000 kilowatt hours of electricity.
5. A consumer who has an account with a distributor if the consumer,
  - I. carries on a business that is a farming business for the purposes of the *Farm Registration and Farm Organizations Funding Act, 1993*, and
  - II. holds a valid registration number assigned under that Act or the consumer's obligation to file a farming business registration form was waived pursuant to an order made under subsection 22 (6) of that Act.

This self-declaration form is intended only for those consumers that are a prescribed class of customers within the meaning of subsections 3 or 5 of the Regulation listed above. Prescribed Customers under subsections 1, 2, and 4 are automatically enrolled under RPP without the need to complete this declaration form.

## STEP TWO – Fill in this form

If your account is currently not billed under RPP rates and meets one of the criteria in subsections 3 or 5 above, please complete the remainder of the form below. If you have more than one qualified account, please fill out a separate form for each account.

Please note that despite qualifying for the RPP, you may elect to be placed on, or continue to be billed on, the Hourly Ontario Energy Price (HOEP) if an interval meter is already installed at your service address. If you wish to explore this option and do not know whether you have an interval meter installed at your service address or wish to have one installed, contact Wasaga Distribution for interval meter installation conditions through our Customer Service Department at 705-429-2517 or by email at [hydro@wasagadist.ca](mailto:hydro@wasagadist.ca) you may also elect to sign a contract with a retailer of electricity for commodity supply. If you are currently under a retailer commodity price option, your rate plan will not change through this declaration.
